

# Pheasant Country LTD Memorial Trust Fund

Pheasant Country LTD has set up a trust fund to receive memorials from members and friends of Pheasant Country LTD who would like to give a lasting memorial in dedication to a loved one.

Memorials are tax deductible as Pheasant Country is a non-profit, charitable organization. Funds put in this trust will be used specifically for the tree planting program and land acquisition.

The name of the person who the memorial is being given will be engraved on a plaque which will be displayed at our annual Pheasant Country LTD banquet held in Mitchell, South Dakota.

If you would like to place a memorial, please complete the form below and mail with your check. A receipt and certificate will be mailed to you.
